Physician Advisor Boot Camp

ACDIS' Physician Advisor Boot Camp Online is your ultimate guide to mastering the essentials of clinical documentation integrity (CDI) and boosting the effectiveness of your organization's CDI program. This comprehensive course provides a strong foundation for physician advisors, whether new to the role or more experienced, and those who complete the final assessment earn the ACDIS CDI Physician Advisor certificate and the ability to designate themselves as an ACDIS-Approved Physician Advisor.

From understanding the goals and mission of CDI to navigating reimbursement methodologies, coding guidelines, risk adjustment, and quality measure reporting—this boot camp covers it all. You'll also dive into compliance considerations, outpatient CDI, clinical validation, and performance measurement.

The journey concludes with an in-depth exploration of the CDI physician advisor's role, expectations, and impact—ensuring you're fully prepared to lead with confidence. The program highlights key provider teaching points throughout the boot camp to enhance communication with medical staff.
